SWOC Analysis of the Department

Strengths-

- Well qualified and committed faculty
- Good infrastructure and availability of Language Laboratory Software
- Teacher-Student relation is very much cordial.

Weaknesses-

- No tie up with other institution, space and time limitations to fulfill the planning.
- Lack of P.G. course in English.
- A poor standard of rural students joins the department and inadequate communication skills.

Opportunities-

- In smaller group of students 'one to one' interaction is possible and teacher can guide and encourage students.
- English being a language essential for employment, so students are keen to choose English literature.

Challenges-

- Many students are from vernacular medium and find it difficult to comprehend the text and updating and adopting knowledge as the medium of instruction is purely English
