About Department of History

The department of History was started with the establishment of in 1998. History subject started as an optional subject for Arts student at the U.G. level to impart knowledge about past of the History. History Department helps students to understand the present-day problems both at the national and international level accurately and objectively. Our department uses number of curricular and co-curricular activities while teaching in college. We had organized tours and travels of our department students to historical places which are important in our subject. While teaching history in classroom we used audio-visual aids like projector, T.V. etc. We organized birth Anniversary of Freedom Fighters & national leaders in our college through our department. Our students of history department presented and prepared Wall Papers related our subject. Our history department organized Workshop at University level in presence of Honorable Vice-Chancellor of university of S.R.T.M. University Nanded Dr. Pandit Vidhyasagar in our college and Chairman of History Dept. in University Dr. Anil Kathare were presented and many subject experts, scholars, professors, readers and students of history were presented. Thus, our history department worked since the establishment for the development of historical awareness among students and to make perfect for competitive exams.
