## SWOC Analysis of the department

### Strengths-

- ✦ Department inculcates the moral and spiritual values among the students.
- ✦ Students can shape their personality with philosophical values.
- ✦ Constant effort of its faculty members made this subject popular amongst various other disciplines despite the fact of not being a school subject primarily.

### Weaknesses-

- ✦ Many students are coming from rural areas and they consider that this subject seems dull and uninterested to the students.

### Opportunities-

- ✦ Philosophy is one such rare subject which can have a major role on the personality development of every student of any stream.

### Challenges-

- ✦ Only one faculty member of small Department normally handles with care a large number of students.
- ✦ It is hard to imbibe the importance of this subject in the minds of common people and to bring change in them.

### Future Plans of the Department:

- ✦ To start the PG course in Philosophy.
- ✦ To start Research Centre in the department.
- ✦ To undertake research projects.
- ✦ To organize National seminars and conferences.
