## **About Library**

This is a central library of Shivaji College, Hingoli. It has an excellent collection of books in the Humanities & Commerce Departments and journals and other non-book reading material in the form of CD-ROMs and DVDs. Library offers useful services and resources in numerous formats that meet the user's academic and research needs. Library services are purely based on Qualitative approach rather than Quantitative approach. Variety of professional e-journals and e-Books subscribed from INFLIBNET NLIST are accessible to Faculty, students and Research Scholars.

Best Student Award is given by the library every year to motivate the students. The library provides the following facilities to the students, viz. OPEC software, internet, reading room, revision classes for new students. etc.
