Annual Report

2020-21

In this academic year from March 2020, the government banned gatherings due to the spread of the Kovid-19 virus. The sports competitions could not be held due to the central government and the state government prohibiting the holding of inter-college sports competitions. Therefore annual planning could not be done. Sports competitions could not be held this year, but the government allowed **ON LINE** training to increase the knowledge of the players so that they do not become mentally exhausted. So students, players were guided through Zoom meeting, through video, through notes. However, Hon. Sir it is a humble request to accept the annual report.
