

An Anthology of English Prose Fiction has been composed with a view to introduce the students to the form of English Prose Fiction in Literature. Covering topics like a Brief History of English Prose Fiction and its Elements, it presents an assortment of short and long texts that have been considered to be the best in their respective genres. A comprehensive range of thematic concerns and techniques in fiction is presented here to create awareness and interest in the study of Literature in English. The units also consist of critical analyses followed by exercises that would prove helpful for the teaching-learning process.
