Policy Document for the Welfare of Disabled Stakeholders at Shivaji College, Hingoli

Introduction

Shivaji College, Hingoli, is committed to fostering an inclusive educational environment that supports the welfare and accessibility needs of disabled stakeholders, including students. The college recognizes the importance of providing equitable opportunities for all individuals, ensuring that students with disabilities have access to the same quality of education and facilities as their peers. This policy outlines the measures taken to support disabled students in their day-to-day learning and examination processes, ensuring that they receive the necessary accommodations and support.

Objectives

To ensure Accessibility: Provide accessible classroom facilities, including ground-floor classrooms, to accommodate disabled students effectively.

To facilitate Examination Access: Make necessary arrangements during examinations to ensure disabled students can participate on an equal footing with their peers.

To provide Necessary Infrastructure: Install and maintain ramps and other accessible infrastructure across the college campus to support ease of movement for disabled individuals.

To promote Inclusive Teaching: Encourage teaching methods and practices that are inclusive and considerate of the needs of disabled students.

To enhance Awareness and Training: Conduct regular training and awareness programs for staff and students to promote understanding and support for disabled stakeholders.

Policy Details

Classroom Accessibility

- All classrooms designated for use by disabled students are located on the ground floor to ensure easy access.
- The college takes periodically review classroom locations and accessibility to address any potential barriers.

Examination Facilities:

- Special arrangements are made during examinations to accommodate disabled students, including extended time, separate rooms, or assistive technology as needed.
- The examination process is reviewed annually to ensure that it meets the accessibility needs of disabled students.

Infrastructure for Accessibility

- Ramps and other accessibility features are installed at all key entry and exit points across the campus.
- Regular maintenance checks are conducted to ensure that all accessibility features remain in good condition and are free from obstructions.

Inclusive Teaching Practices

- Faculty members are encouraged to employ teaching strategies that accommodate diverse learning needs, including those of disabled students.
- The college provides resources and support to faculty to facilitate inclusive teaching methods.

Awareness and Training

- Training programs on disability awareness and inclusive practices are organized for both staff and students to foster a supportive environment.
- The college takes review and update training programs regularly to reflect current best practices and legal requirements.

A handwritten signature in blue ink, appearing to be "R. S.", is written over the printed name of the Principal.
